Chapter 17 Study Guide
Manifest Destiny and Its Legacy

Theme: American expansionism gained momentum in the 1840s, leading first to the acquisition of Texas and Oregon, and then to the Mexican War, which added vast southwestern territories to the United States and ignited the slavery question.

Summary: As Tyler assumed the presidency after Harrison’s death, the United States became engaged in a series of sharp disputes with Britain. A conflict over the Maine boundary was resolved, but British involvement in Texas revived the movement to annex the Lone Star Republic to the United States.

The Texas and Oregon questions became embroiled in the 1844 campaign, as the Democrats nominated and elected the militantly expansionist Polk. After Texas was added to the Union, conflicts with Mexico over California and the Texas boundary erupted into war in 1846.

American forces quickly conquered California and New Mexico. Scott’s and Taylor’s invasion of Mexico was also successful, and the United States obtained large new territories in the peace treaty.

Besides adding California, New Mexico, and Utah to American territory, the Mexico War trained a new generation of military leaders and aroused long-term Latin American resentment of the United States. Most important, it forced the slavery controversy to the center of national debate, as first indicated by the Wilmot Proviso

A. Read chapter 18
B. Define and give the significance of each of the following:
William Henry Harrison
The Whig party
John Tyler

C. Answer
1. What led to the resignation of Tyler’s entire cabinet (except Webster)?
2. Discuss the "war of words" that festered between the U. S. and Britain in the 1830's and 1840's. Briefly identify the opinions and actions of both sides.
3. Why were President Tyler and the South eager to annex Texas? What steps did he take to try to accomplish this and what were the results of his actions?
4. Manifest Destiny: "Countless citizens in the 1840's and 1850's feeling a sense of mission, believed that Almighty God had "manifestly" destined the American people for a hemispheric career." Discuss the political effects of this vision.
5. Discuss Polk's agenda as president. Why might Polk be labeled as the “Manifest Destiny” president?
6. Identify the main points of contention between Mexico and the United States on the eve of The Mexican-American War. Did Polk provoke this war to achieve his prizes?
7. What did the United States gain from victory in the Mexican War and why were some Americans disturbed by the events of the war.
8. What problems were created as a result of the land acquisitions? -Do you agree with the text authors’ conclusion that "In a broad sense, the opening shots of the Mexican War were the opening shots of the Civil War?"
Identification  Supply the correct identification for each numbered description.

1. British colony where Americans regularly aided anti-government rebels
2. State where “Aroostook War” was fought over a disputed boundary with Canada
3. Nation that strongly backed independence for Texas, hoping to turn it into an economic asset and antislavery bastion
4. Antislavery Whigs who opposed both the Texas annexation and the Mexican War on moral grounds
5. Act of both houses of Congress by which Texas was annexed
6. Northern boundary of Oregon, advocated by Democratic Party and others as the desired line of American expansion
7. Two-thousand-mile-long path along which thousands of Americans journeyed to the Willamette Valley in the 1840s
8. The widespread American belief that God had ordained the United States to occupy all the territory of North America
9. Small antislavery party that took enough votes from Henry Clay to cost him the election of 1844
10. Final compromise line that settled the Oregon boundary dispute in 1846
11. Rich Mexican province that Polk tried to buy and Mexico refused to sell
12. River that Mexico claimed as the Texas-Mexico boundary, crossed by Taylor’s troops in 1846
13. Resolutions offered by Congressman Abraham Lincoln demanding to know the precise location where Mexicans had allegedly shed American blood on “American” soil
14. Treaty ending Mexican War and granting vast territories to the United States
15. Controversial amendments, which passed the House but not the Senate, stipulating that slavery should be forbidden in territory acquired from Mexico
